## NORFOLK DISTRICT IN THE NEWS

An oyster odyssey ([Free-Lance Star](#))

## PUBLIC NOTICES

The Norfolk Naval Shipyard has proposed to replace berth 20 and replace the adjacent previously constructed barge slip with an open wharf structure, thereby extending berth 21 and connecting it to berth 20. ([more](#))

## USACE NEWS

### Haditha Hospital

The U.S. Army Corps of Engineers is working to improve health care in Haditha City in Iraq's Al Anbar Province. They've just completed a \$500,000 clinic for outpatient care and are now tackling \$3.7 million in renovations to Haditha Hospital. ([more](#))

### Faces of Al-Awaiya Hospital

In Rusafa, Baghdad, (pop. 435,000), the U.S. Army Corps of Engineers is completing \$2.4 million in renovations at Al-Awaiya Maternity Hospital and \$1.3 million in renovations at Al-Awaiya Children's Hospital. ([more](#))

### Victory Wastewater Treatment Plant, Baghdad

The U.S. Army Corps of Engineers is constructing a \$2.9 million wastewater treatment plant at Victory Base Complex in Baghdad. It has an impact off post by employing local workers, and when complete in late 2008, it will send two million gallons of clean water each day into local canals where farmers and citizens can make use of it. ([more](#))
