### Norfolk deputy sees progress in Iraq

Lt. Col. Mike Darrow, serving two tours in Iraq with the U.S. Army Corps of Engineers, says he's seen real progress during the past five years. ([more](#))

### SCOE represents a new way forward

The Sustainment Center of Excellence building at Fort Lee, Va. is nearing completion and it is the equivalent of a corporate headquarters for Army logistics training. SCOE represents a new way forward in how the U.S. Army Corps of Engineers constructs buildings. The building incorporates functional design into an aesthetically pleasing look. ([more](#))

### District supports deployed employees

For the past four years, the Norfolk District has packaged up boxes of holiday cheer destined for deployed personnel serving their country thousands of miles away in support of the Global War on Terror (GWOT). ([more](#))

### Angel Tree lighting to take place on Dec. 2

The Annual Angel Tree Lighting Ceremony with the children of St Mary's Home for Disabled Children will take place at 10 a.m. Dec. 2 in the Multi-Purpose Room of the Waterfield Building. ([more](#))

### Focus on safety for a happy Thanksgiving

Thanksgiving is a day to reflect on all we are thankful for, enjoy seasonal treats and spend time with loved ones. Although it may not be top of mind, focusing on safety can keep a happy holiday from taking a tragic turn. The American Red Cross offers simple suggestions to ensure you have a safe holiday. ([more](#))

### Holiday concert scheduled for Dec. 16

The U.S. Army Training and Doctrine Command Band Woodwind Quartet is scheduled to entertain the Norfolk District on Dec. 16 in the Multi-purpose room.
