BASIS OF AWARD:

1. All blanks must be filled in by the offeror.
2. A single award will be made.
3. Award will be made to the lowest price offer received from a responsible, responsive offeror who is technically acceptable.
4. Technical acceptability will be shown as "GO" OR " NO GO". In order to be determined technically acceptable, the reference projects shall meet or exceed all conditions as listed.
5. Proposals shall be ranked according to price. Technical proposal of the lowest priced offer will be evaluated. Award will be made to that offeror if the technical proposal is evaluated as GO. If the technical proposal is evaluated as "NO GO", the next low proposal will be evaluated and so on until a technically acceptable offer is found.
6. Prior to making award, a preaward survey will be done and the technically acceptable low offeror will be required to show that they have the necessary capital, experience and owns or can procure the necessary equipment to commence work in accordance with the specifications and complete the work safely and satisfactorily within the time specified.
