099-5282	Battle of Williamsburg (Battle of Fort Magruder - Civil War)			x	x	Not Evaluated	Both	0/1.40 miles	The Battle of Williamsburg is a large resource that is present for both the 230 and 500 kV sections of this project. Recent survey efforts were undertaken for the portion of the battlefield in the Expanded APE for the James River Crossing. Additional Information Requested by the DHR for this resource as it pertains to the expanded APE to determine NRHP Eligibility. Section within Project Area is Recommended not Individually Eligible for Listing on the NRHP
121-0006	Matthew Jones House			x	x	NRHP Listed	Outside	1.93	NRHP Listed. Surveyed by Stantec pursuant to request from DHR. Recommended to retain NRHP status. Also addressed in the viewshed report.
121-0017	Crafford House Site/Fort Crafford			x	x	Recommended NRHP eligible.	Outside	3.38	Surveyed by Stantec pursuant to DHR request. Recommended eligible for listing under Criterion A and potentially eligible for listing under Criterion D. Also assessed for visual effects. The point upon which the resource is located is largely wooded shielding portions of the proposed project from view. There will be limited visibility of the proposed project from the site therefore resulting in a recommendation of No Adverse visual effect.
047-0082*	Battle of Green Springs				x*	NRHP Listed as Part of Governor's Land	Outside	6.52	The Green Springs Battlefield (Revolutionary War) is listed on the NRHP as part of the Governor's Land Archaeological District. The closest point of this battlefield and district to the proposed project is 6.52 miles to the northwest. The project will not be visible from this battlefield and a thus there is a recommendation of No Effect (see attached). *A separate report on visual effects was prepared for this resource as it was not included in the request from the VDHR. This document is attached to this table.
047-0001	Wolstenholme Town (Martin's Hundred)/Archaeological Sites within Carter's Grove					Located within the bounds of the NRHP/NHL listed Carter's Grove	Outside	0.65	Wolstenholme Town is an archaeological site and typically archaeological sites are not considered for visual impacts. However, because the site is located within the bounds of the Carter's Grove property, it would be considered under the overall effects the project would have on the Carter's Grove Property
090-0001	Bacon's Castle					NRHP-Listed	Outside	3.57	Bacon's Castle is located outside of the Indirect APE for the project and is well inland from the James River shoreline. There will be no visibility of the proposed project from Bacon's Castle.
090-0009	Four Mile Tree					NRHP-Listed	Outside	8.73	Four Mile Tree is located to the west of the proposed project and outside of the Indirect APE. There will be no visibility of the project from Four Mile Tree.
44IW0029	Lawne's Plantation					Unevaluated	Outside	1.18	Lawne's Point and a collection of other sites potentially associated with Christopher Lawne's Plantation were identified in the late 2000s but remain unevaluated archaeological resources. These resources are not within the direct APE. Indirect effects (viewshed) are not typically assessed for archaeological resources. No additional work conducted at this time.
44JC0032	Utopia					Eligible (1995)	Outside	2.51	Utopia is an archaeological site. Indirect effects (viewshed) are not typically assessed for archaeological resources. No additional work conducted at this time. This site is also located within the bounds of the Kingsmill Resort and has been largely destroyed.
44JC0054	Archers Hope					Not Evaluated	Outside	3.75	Archer's Hope is an archaeological site. Indirect effects (viewshed) are not typically assessed for archaeological resources. No additional work conducted at this time.

Multiple	Archaeological Sites at Jamestown					NRHP/NHL - Jamestown	Outside	4.04	The collection of sites located on the eastern end of Jamestown Island are not within the Direct APE for the project. Archaeological Sites are not typically considered for visual effects. No additional work conducted at this time.
44JC0119	18th Century Burwell Cemetery (Carter's Grove)					NRHP/NHL - Carter's Grove	Outside	1.24	The Burwell Cemetery at Carter's Grove was not assessed individually. However, because the site is located within the bounds of the Carter's Grove property, it would be considered under the overall effects the project would have on the Carter's Grove Property.
N/A	Underwater Archaeological Sites/Anomalies Identified		x			Potentially Eligible	Inside/ Adjacent	0.00	Underwater anomalies were identified and buffer areas placed around them as shown on the APE mapping. Dominion is avoiding all buffer areas. The construction methods and secondary impacts to underwater anomalies will be discussed further as necessary.
N/A	Bennett's Welcome						Outside	~10.00	The historical marker (K-241) for this plantation is located well-inland from the proposed project and river crossing. Although there may be archaeological sites associated with this larger plantation and settlement closer to the James River shoreline and nestled between the locations of Lawne's Point and Basse's Choice, it is unlikely that the proposed project would have any direct effect to these resources. No additional work conducted at this time.
