Consultation Code: 05E2VA00-2015-SLI-1913

Event Code: 05E2VA00-2015-E-01917

Project Type: FIRE

Project Name: Fire Station #10 Logistics Center

Project Description: The project will construct a new 14,200 sq. ft. Fire Station #10 and a 15,000 sq. ft Logistics Center. The primary purpose and need for the new Fire Station #10 and logistics center is to improve the emergency response system and resource deployment capabilities in the western section of the City of Chesapeake. The secondary purpose is to consolidate the Engine Company, Medic Unit, Ladder Company, Field Medical Officer and the Battalion Chief for the 3rd Battalion.

Please Note: The FWS office may have modified the Project Name and/or Project Description, so it may be different from what was submitted in your previous request. If the Consultation Code matches, the FWS considers this to be the same project. Contact the office in the 'Provided by' section of your previous Official Species list if you have any questions or concerns.

Endangered Species Act Species List

There are a total of 1 threatened or endangered species on your species list. Species on this list should be considered in an effects analysis for your project and could include species that exist in another geographic area. For example, certain fish may appear on the species list because a project could affect downstream species. Critical habitats listed under the **Has Critical Habitat** column may or may not lie within your project area. See the **Critical habitats within your project area** section further below for critical habitat that lies within your project. Please contact the designated FWS office if you have questions.

Mammals	Status	Has Critical Habitat	Condition(s)
Northern long-eared Bat (<i>Myotis septentrionalis</i>)	Threatened
