Helen:

As per our records, yes AFH has reimbursed DPW \$1.3M (rest of the \$2.5M are water, sewage and electricity expenses). The ESPC contract loan expires in 12 years. The buyout cost will have to be provided by the COR of the contract, Mr. Anibal Negrón, that will return to work

next Monday, if you
can wait. This is an USACE contract through Huntsville District.

Angie

Not sure this is the answer. Appears you are saying that AFH has paid \$2.5M for ESPC to date.

- 1) When does the ESPC contract expire for family housing?
- 2) What would be the cost to buyout the AFH portion of the ESPC contract?
