

RECORD OF ENVIRONMENTAL CONSIDERATION (REC)

TO: IMRI-PWF

FROM: IMRI-PWE

**PROJECT TITLE: Remediate lead hazards in Quarters 2, 3, 4, 7, 30, 31 and 34;
Work Request 2014-1018**

BRIEF DESCRIPTION OF THE PROJECT: Remediate lead hazards and perform clearance sampling in Quarters 2, 3, 4, 7, 30, 31, and 34. Basement floors, which tested above the clearance threshold, will be cleaned, sealed, and sampled. Exception will be Quarters 3 basement floor which will be cleaned and sampled. Sealing of Quarters 3 basement floor will be programmed in the 6-year plan and performed in the future. A copy of the lead-based paint form shall be submitted to George Schaub, IMRI-PWE, prior to any work.

This project involves work on the interior of an existing building; therefore, coordination with the Illinois State Historic Preservation Office (SHPO) is not required due to pending Programmatic Agreement.

Prior to any work, this project shall be coordinated with Industrial Hygiene, 2-0806.

**Anticipated date and/or duration of proposed action: (MM/DD/YY): 18 Dec 2013,
60 days**

Reason for using a record of environmental consideration :

- b. Per 32 CFR Part 651, Appendix B, Section II, the following CX applies which states: Per 32 CFR Part 651, Appendix B, Section II, the following CX applies which states: (g) Repair and maintenance activities (1) Routine repair and maintenance of buildings, airfields, grounds, equipment, and other facilities to include but not limited to the removal and disposal of asbestos-containing material and lead-based paint IAW applicable regulations; removal of dead, diseased or damaged trees; and repair of roofs, doors, windows or fixtures or work on historic structures.**
