

RECORD OF ENVIRONMENTAL CONSIDERATION (REC)

PROJECT TITLE: Scrape Basement Walls to Remove Loose Paint, Apply Encasing Primer-Qtrs 3/3232 Terrace Dr LBP

Project# 2015-2376

Anticipated date and/or duration of proposed action: (MM/DD/YY): 60 days

BRIEF DESCRIPTION OF THE PROJECT: Provide labor, material, and equipment to remove flaking and loose paint, and approx. 592 lf or 4515 sf and seal with grip tack or equal.

THIS PROJECT IS CATEGORICALLY EXCLUDED UNDER:

a. Per 32 CFR Part 651.29(a) (1, 2, and 3): The action has not been segmented, no exceptional circumstances exist (b) (1-14), and one or more of the Categorical Exclusions (CX's) encompass the proposed action.

b. Per 32 CFR Part 651, Appendix B, Section II, the following CX applies which states: (g) Repair and maintenance activities (1) Routine repair and maintenance of buildings, airfields, grounds, equipment, and other facilities to include but not limited to the removal and disposal of asbestos-containing material and lead-based paint IAW applicable regulations; removal of dead, diseased or damaged trees; and repair of roofs, doors, windows or fixtures or work on historic structures.

Environmental Considerations

***Lead based paint shall have an impact on this project.**

****A copy of the lead based paint form shall also be submitted to George Schaub, IMRI-PWE, 2-6379, prior to start of any work.**

***Contractor must be familiar with the USAG-RIA Spill Response & Notification procedures should a spill occur.**

***Contractor is responsible for proper collection/disposal of any solid/hazardous waste generated.**

***Contractor must consider ways to minimize dust generation.**

***This project involves the maintenance of painted surfaces on a contributing building and is identified in Stipulation IV.J. of the draft Programmatic Agreement. Further consultation with the IL State Historic Preservation Office is not necessary.**
