

RECORD OF ENVIRONMENTAL CONSIDERATION (REC)

TO: IMRI-PWF

FROM: IMRI-PWE

**PROJECT TITLE: Replace Deteriorated Window Troughs on 1st Floor, Qtrs
4/3294 Terrace Drive, Project # 2015-3376**

BRIEF DESCRIPTION OF THE PROJECT: Provide labor, material, and equipment to remove loose and flaking lead based paint from the window sills on the first floor windows, excluding the (3) windows on the north porch. Apply lead block, prime and paint the window sills as required.

A copy of the lead-based paint form shall be submitted to George Schaub, IMRI-PWE, prior to any work.

Prior to any work, this project shall be coordinated with Industrial Hygiene, 2-0806.

This project involves replacement in kind with like materials; therefore, coordination with the Illinois State Historic Preservation Office (SHPO) is not required due to pending Programmatic Agreement.

Anticipated date and/or duration of proposed action: (MM/DD/YY): 5 June 2015, 60 days

Reason for using a record of environmental consideration:

a. Per 32 CFR Part 651.29(a)(1, 2, and 3): The action has not been segmented, no exceptional circumstances exist (b) (1-14), and one or more of the Categorical Exclusions (CX's) encompass the proposed action.

b. Per 32 CFR Part 651, Appendix B, Section II, the following CX applies which states: (g) Repair and maintenance activities (1) Routine repair and maintenance of buildings, airfields, grounds, equipment, and other facilities to include but not limited to the removal and disposal of asbestos-containing material and lead-based paint IAW applicable regulations; removal of dead, diseased or damaged trees; and repair of roofs, doors, windows or fixtures or work on historic structures.
