

RECORD OF ENVIRONMENTAL CONSIDERATION (REC)

PROJECT TITLE: Provide Tuck Pointing at Qtrs 3/3232 Terrace Drive *Historical

Project # 2017-974

Anticipated date and/or duration of proposed action: (MM/DD/YY): 120 days

BRIEF DESCRIPTION OF THE PROJECT: Provide tuck pointing based on the areas where mortar needs to be ground out and tuck pointed on the housing quarters and chimneys. Grind 50% of existing mortar between areas noted for tuck pointing and tuck joints with matching mortar color. Utilize Type “N” mortar for tuck pointing. Apply a test patch in order to determine that the new mortar matches existing.

THIS PROJECT IS CATEGORICALLY EXCLUDED UNDER:

a. Per 32 CFR Part 651.29(a) (1, 2, and 3): The action has not been segmented, no exceptional circumstances exist (b) (1-14), and one or more of the Categorical Exclusions (CX’s) encompass the proposed action.

b. Per 32 CFR Part 651, Appendix B, Section II, the following CX applies which states: (g) Repair and maintenance activities: (1) Routine repair and maintenance of buildings, airfields, grounds, equipment, and other facilities. Examples include, but are not limited to: Removal and disposal of asbestos containing material (for example, roof material and floor tile) or lead-based paint in accordance with applicable regulations; removal of dead, diseased, or damaged trees; and repair of roofs, doors, windows, or fixtures or work on historic structures.

Environmental Considerations

****The scope of this IJO meets the Secretary of Interior's Standards for Preservation (36 CFR 68.3(a)), as concurred by the Illinois Historic Preservation Agency.**

***Contractor must be familiar with the USAG-RIA Spill Response & Notification procedures should a spill occur.**

***Contractor is responsible for proper collection/disposal of any solid/hazardous waste generated.**
