

## Record of Environmental Consideration (REC)

**Project Title:** Replace Historical Shaker Siding, Quarters 7/1875 East Street

**Project #** 2018-2106

**Brief Description of the Project:** Provide labor, material and equipment to remove and replace the historical Shaker Siding. There are multiple coats of lead-based paint that are encapsulated with latex paint. The siding removed shall be considered construction debris and properly disposed of. Exterior soil testing shall be conducted prior to and post construction.

**This Project is Categorically Excluded Under:**

a. Per 32 CFR Part 651.29(a) (1, 2, and 3): The action has not been segmented, no exceptional circumstances exist (b) (1-14), and one or more of the Categorical Exclusions (CX's) encompass the proposed action.

b. Per 32 CFR Part 651, Appendix B, Section II, the following CX applies which states: (g) Repair and maintenance activities: (1) Routine repair and maintenance of buildings, airfields, grounds, equipment, and other facilities. Examples include, but are not limited to: Removal and disposal of asbestos containing material (for example, roof material and floor tile) or lead-based paint in accordance with applicable regulations; removal of dead, diseased, or damaged trees; and repair of roofs, doors, windows, or fixtures or work on historic structures.

### Environmental Considerations

\*A copy of the lead-based paint form shall also be submitted to George Schaub, IMRI-PWE, 2-6379, prior to start of any work.

\*This project shall be coordinated with Industrial Hygiene, 2-0806, prior to start of work.

\*Contractor is responsible for proper collection/disposal of any solid/hazardous waste and construction debris generated.

\*\*See ISHPO Consultation Memorandum for Record dated 25 July 2018 indicating that the proposed undertaking will have "no adverse effect" on properties which are listed in or eligible for inclusion on the NRHP.
