

Record of Environmental Consideration (REC)

Project Title: Between Occupancy-Paint Basement Walls and Seal Basement Floors-Quarters 81

Project # 2018-2535

Anticipated date and/or duration of proposed action: 120 days

Brief Description of Project: Provide labor, materials & equipment to clean and paint foundation walls and to clean and seal the floor.

This Project is Categorically Excluded Under:

Per 32 CFR Part 651.29(a) (1, 2, and 3): The action has not been segmented, no exceptional circumstances exist (b) (1-14), and one or more of the Categorical Exclusions (CX's) encompass the proposed action.

Per 32 CFR Part 651, Appendix B, Section II, the following CX applies which states: (g) Repair and maintenance activities: (1) Routine repair and maintenance of buildings, airfields, grounds, equipment, and other facilities. Examples include, but are not limited to: Removal and disposal of asbestos containing material (for example, roof material and floor tile) or lead-based paint in accordance with applicable regulations; removal of dead, diseased, or damaged trees; and repair of roofs, doors, windows, or fixtures or work on historic structures.

Environmental Considerations

**Subject IJO scope is identified in Stipulation IV.J. of the pending Programmatic Agreement, and is exempt from further review by the IL SHPO.

*Contractor is responsible for proper collection/disposal of any solid/hazardous waste generated.

*ACM and LBP will not have an impact on this project.
