Project Title: Replace Siding, Overhead & Man Door on Garage, Building 70/Quarters 23

Project # 2018-3800

Brief Description of the Project: Provide labor, material and equipment to remove and replace the white siding, walk door and overhead door on the garage of Quarters 23. ACM and LBP are not expected to have an impact on this project.

This Project is Categorically Excluded Under:

a. Per 32 CFR Part 651.29(a) (1, 2, and 3): The action has not been segmented, no exceptional circumstances exist (b) (1-14), and one or more of the Categorical Exclusions (CX's) encompass the proposed action.

b. Per 32 CFR Part 651, Appendix B, Section II, the following CX applies which states: (g) Repair and maintenance activities: (1) Routine repair and maintenance of buildings, airfields, grounds, equipment, and other facilities. Examples include, but are not limited to: Removal and disposal of asbestos containing material (for example, roof material and floor tile) or lead-based paint in accordance with applicable regulations; removal of dead, diseased, or damaged trees; and repair of roofs, doors, windows, or fixtures or work on historic structures.

Environmental Considerations

*Contractor is responsible for proper collection/disposal of any solid/hazardous waste generated.

**This action is to be conducted on a non-contributing element, and results in a "no adverse effect" determination.
