INTRODUCTION	1
2.0 REQUIREMENTS	2
2.1.3 Place of Performance and Hours of Operation.	2
3.0 PERFORMANCE REQUIREMENTS AND STANDARDS	10
3.1.2 Specific Tasks.....	

1. Introduction.

2.1.3 Place of Performance and Hours of Operation.

2.1.3.1 Hours of Operation. The Government's regular (normal) hours are from 0700 – 1600 hours, except Federal holidays or when the Government facility is closed due to local or national emergencies, administrative closings, or similar Government directed facility closings. The Contractor shall conduct business during regular hours.

3.1.2.4 METHOD OF COLLECTION: All refuse and recycle shall be collected from each quarters, housing units, parks, or buildings at established pickup stations. Refuse and recycle containers shall be emptied into collection equipment at the pickup station and after being emptied, shall be returned to the pickup station and placed in an orderly manner. Any refuse or recycle spilled on the ground during the loading operation shall be picked up by the contractor prior to the collection vehicle leaving the pickup station. After pickup all lids shall be placed in the closed position.

7.4 Government-Furnished Material (GFM)/Property (GFP)/Equipment (GFE) The Government will provide forty (40), 30 gallon stone aggregate refuse cans (SARC) with plastic insert containers. The Government will provide thirteen (13) yellow and green recreational trash bins with liners at four different park areas located around the AFH units. The Contractor assumes responsibility for GFP upon contract start date and must submit an approved property plan to the KO prior to contract start date.

The Government shall provide the loading docks, up to the compactor platform housing the ram.
