

Required Features of GFOQ Housing

(provided by USAG-Miami Garrison Manager 24 Jun 2021)

- (1) All GFOQs + SEL (E9) homes co-located
- (2) 1 x shared outdoor entertainment area for all GFOQs + SEL capable of supporting up to 50 pax
- (3) For Special Command Position (SCP) QTRS 1 only:
 - (a) 5 bedrooms
 - (b) capability to convert one room to an office that can support SIPR (not SCIF) [see AR 380-5, para 6-13b for minimum construction standards - attached];
 - (c) outdoor kitchen and entertainment space for 20; including overhead cover.

*Need for the following security measures is dependent upon final site planning and security assessment by Protective Service Detail (PSD) [e.g. may or may not be a requirement]:

- (d) intrusion detection system;
- (e) separate space/capability for on-site protective service detail to operate;
- (f) panic room.
