

Miami GFOQ Requirement (per Garrison Manager 10 Aug 2021)

1. Plan for 7 total Exec Homes – 6 x General Flag Officers; 1 x E9

Combatant Commander (4 star) – Special Command Position

Military Deputy Commander (3 star)

Chief of Staff (2 star)

J2 (1/2 star)

J3 (2 star)

J5 (1 star)

2. There are 4 other GFO's assigned to US Southern Command: (2 x 1 stars in the J3, 1 x 1 Star in the J7/9 (typically not eligible for housing as it's a foreign officer position), and 1 x 2 star DCMRA (typically not eligible for housing as it's a Reserve/NG position)); however, the command has elected not to classify them as K&E for housing purposes. It is expected that the others will either be housed on the economy.

3. Of the two x E9's, only one (US Southern Command Senior Enlisted Leader) requires a GFOQ type executive home. The other E9 (J2 Senior Enlisted Leader) requires a standard E9 home.
