

Arlington National Cemetery Millennium Project Final Environmental Assessment

Lead Agency:
Arlington National Cemetery
Cooperating Agency:
U.S. National Park Service

June 2013

US Army Corps
of Engineers®
Norfolk District

APPENDIX I:
Tree Inventory and Analysis

Notes

- 1. Trees not identified to species level are due to inaccessible identifying characteristics, i.e., twigs, buds, flowers.
- 2. Trees labeled “unknown species” are dead and lack any identifying characteristics.
- 3. Trees with multiple leaders that split below breast height with a single survey location are labeled, beginning wit
- 4. Tree identification provided by certified arborists with Wetland Studies and Solutions, Inc.

AREA

- 1. West of Boundary Wall
- 2. Maintenance Yard
- 3. East of Boundary Wall
- 4. East of Boundary Wall and Removed for Stream Restoration
